

COUNSELING CORNER

With Mrs. Gavril
Central Elementary School

Character Lesson of the Month: Love

The character lesson of the month introduces Love. There is so much power in love! We will be exploring how love is a powerful, motivating force that builds community, compassion, and individual growth. Love teaches each of us how to **GROW** our **LOVE** in ourselves and other people, too!

Tips for At-Home Learning

We are learning about all the little spots of feelings that we can have. Ask your child what they should do to grow their love spot.

Practice:

"How do you like to be greeted?"

"Your kind words made my confidence spot grow today!"
